TARONJA OPTION FOR 30+ AND 40+

Are you in your thirties or early forties, feeling full of energy, eager to meet new people to go out partying and having fun? Would you like to be with students of all ages but you don't want to be the oldest one, nor the only one your age? Is that what you want? Well, then pay attention because you may be interested in the following information.

As you may know, the average age in the majority of Spanish language schools goes from 16 to 25, and only few schools offer courses for 50+. So, what happens to all the 30+ and 40+ students then? Don't they have a place to fit?

TARONJA has got the solution!

TARONJA STUDENTS ALONG THE YEAR

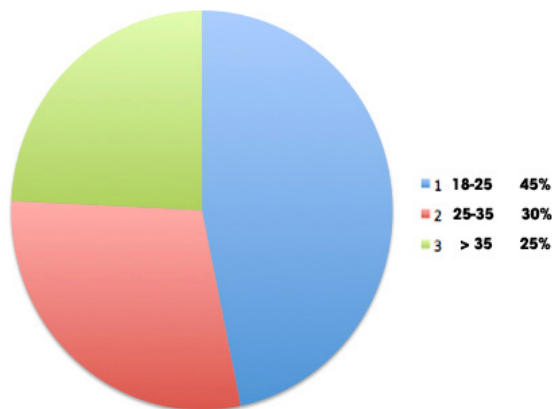

TARONJA students range from 18 (minimum age to come on your own) up to 99 and more! Most of the students are between 20-30, but we DO get a good number of students 30+ and 40+ along the year (see chart).

Our philosophy is to mix all students, no matter their age or nationality, in order to create a pure familiar environment. That is the way we do it in class and activities, and works perfectly.

As we said before, in Taronja we have a good number of 30+ and 40+ students each year, but the reality is that most of them come dispersed, never at the same time. What we are trying to do with this option is to gather these students on certain starting dates throughout the year.

Therefore, your stay in TARONJA will be much more special, surrounded by people of all ages but with many students of your same age. If you are a 30+ or 40+ student who wants to come to Taronja, try to choose one of the recommended starting dates. Don't doubt it!

STUDENTS AVERAGE AGE DURING THE YEAR

THIS IS NOT A COURSE

Please bear in mind that this is NOT a course, as you could think of. What we are doing here is to propose some starting dates for 30+ / 40+ students in order to make their stay in TARONJA far more special.

In this school we TRULY try to create a family environment in which ages and nationalities are erased. We avoid creating closed/separated groups of students. We don't like it!

Always remember our school's motto: TARONJA is not a school for young people, but for people who feel young!

ACCOMMODATION

As you know, in **TARONJA** you can choose the accommodation you prefer: Spanish family, private apartment or shared apartment with other people. When booking shared apartment we will give you the option to have only 30+ flatmates. You choose.

ACTIVITIES

TARONJA is a really fun place and we probably have the best-organized activities you will ever find. We put a lot of effort and passion into this!

Remember that included in the course price you get some free, or at very reduced price, activities per week, such as: Spanish Cooking Class, Paella Party Dinner, Diverclasses and many more...

You'll love our daily activities and, if you are lucky enough to come in summer, you will enjoy our world-famous Beach Parties. One of the best experiences in your life. Made to measure to ALL ages!!!

In addition to our normal range of activities, during the recommended starting dates for 30+ we will also include other sort of activities such as:

- Tapas Tour to real Spanish bars, avoiding tourists.
- Hiking and Trekking in nearby areas of Valencia mountains.
- Live concerts (Flamenco, Pop-Rock, Jazz...).
- Cooking lessons.
- Dancing lessons (Salsa, Tango...).
- Cultural Venues.
- Comedy and Theatre shows.
- Excursions and day trips.

Feel free to suggest any activities that you would like to do!

A pure familiar environment

WHAT'S GOOD ABOUT THIS OPTION?

If you are a 30+ or 40+ and decide to start in one of our recommended dates, we will try to guarantee you that:

- At least 30% of your classmates will be in your age range.
- There will be a good number of 30+ and 40+ students in the school.

- We will be able to offer you accommodation in shared apartments with other 30+ students if you request so.
- The social program of the school will have many activities suit for 30+ students.
