WHAT IS DELE?

Spanish diplomas from DELE are officially accredited qualifications for the degree of competence and mastery of the Spanish language, awarded by the Cervantes Institute on behalf of the Ministry of Education and Vocational Training of Spain.

To obtain these qualifications, exams are offered from level A1 to C2 of the Common European Framework of Reference for Languages (CEFR). The student is able to choose which exam they would like to take.

The DELE is a necessary requirement to work or study in Spain, as many business and universities ask for it.

DELE diplomas are valid for life!

Each exam consists of four tests and is done on paper, in an exam centre and on fixed dates that the Cervantes Institute announces annually. It requires a previous registration and a payment of fees that goes from 100 to 200 euros according to the level.
